

Dear Parents, Teachers and Students,

I am writing this correspondence to you in the final days of the year of 2020. I hope that you are all well.

Soon we will be able to celebrate Christmas, the birth of Christ, in keeping with the Macedonian Orthodox religion and belief. We have already celebrated Christmas according to the Gregorian calendar. As you know the Macedonian Orthodox faith follows the Julian calendar.

This year we have seen colossal changes imposed on our school and society as a whole, in order to counteract the spread of corona virus. Fortunately we were able to continue with face to face tuition after term 2 following the uncertainty of the beginning of the year.

Also we celebrated the achievements of the students at the Sveti Nikola celebrations where we saw the students receiving their awards and certificates. The students also put on great performances in singing and storytelling/acting.

Many thanks to the teachers for their preparatory work and to the students for putting in the effort to learn the lines.

I wish to thank you all for persevering and showing the tenacity required to achieve a long term goal of learning the Macedonian Language and becoming more familiar with our traditions.

We will be starting the lessons for 2021 soon. The first lesson is scheduled for Tuesday, 2 February, starting at 5:00 pm till 6: 30 pm, and is to be held at the language school on the first floor of the Macedonian Community Centre in North Perth, corner of Macedonia Place and Albert Street. The same venue and location as for this year.

Enrolment forms are readily available from the link below:

<http://www.macedoniawa.com.au/language-classes/index.php>

Simply click on the link and scroll over the heading; **Enrolment Form 2021.doc**

or click on the following link: [Enrolment Form 2021.doc](#)

I look forward to you all being there in 2021. Tell your friends and relations to come along and join us.

Yours sincerely,

Vick Lazarov  
School Coordinator/Principal  
Macedonian Community Language School
