Language Week 7 – 14 August 2017

Did you know that more than 270 languages and dialects are spoken in Western Australia today? Languages Week, 7-14 August 2017, is intended to raise awareness of the benefits of language learning, highlight the linguistic diversity in our community and celebrate the work of our students and teachers in community language and mainstream schools. The Macedonian Community Language School will be participating in the event through the submission of eBooks created by our K-12, Level 2 students. The theme Let me Tell You a Story, Let Me Tell You in My Language, has attracted varied stories from our students, including cultural, family and historical topics. Good luck to all our students and well done on your dedication. Special thanks must also go to their teacher Jovanka Jakovceska for encouraging students to take part in this competition and also for incorporating the exercise into students' learning program.

Congratulations Breanna and Emanuel

We are thrilled to announce the engagement of our K-12, Level 1, teacher Breanna Manov to Emanuel Pitsonis. The School Board, teachers, students and parents wish you all the very best as you begin to plan your lives together – Congratulations.

Sveti Kiril and Metodij

Special thanks and well done to our K-12 students who performed and launched the Community's Sveti Kiril and Metodij celebrations. The event provided a great opportunity for students to demonstrate their

Macedonian language abilities. Thank you also to the parents, many of whom juggled their sporting and language school commitments to attend. We very much appreciate your commitment.

School Fundraiser

The Macedonian Community Language School held its annual fundraiser on 17 June 2017 at Bunnings Warehouse, Balcatta. Thank you to all our volunteers who gave up their time to help. Thanks also go to our sponsors and donators. Mention must go to Bunnings Warehouse Balcatta, Barbaro Brothers Butchers Greenwood, IGA Stirling, Woolworths Subiaco and Woolworths Kingsway City. Thank you also to the school's hard working School Board who

helped coordinate the event. Together we have made a difference to the quality of our students' educational experiences and helped build a stronger school community – Thank you to everyone.
