### From the Chairman

With the end of semester one drawing to a close I would like acknowledge and pass on my best wishes to the many students who will be sitting for exams this time of year and wish you every success in your studies. Many of you take time off and even travel during the semester break. Have a wonderful and well deserved break and see you in Semester two. Peter Vassileff

### Summer Class

Our inaugural summer school this year was a huge hit! Due to popular demand, we anticipate that there will be another six week course offered later in the year. The lessons are one and a half hours long and aimed at Macedonian speakers who want to learn how to read and write in Macedonian too. The

classes are a mix of learning the Cyrillic alphabet, socialising and reconnecting with the Macedonian Community. Class themes included Me (Јас), Family (Семејство), Every Day Life (Секојдневниот живот), Easter (Велигден), Macedonian Food (Македонска храна) and Travelling to Macedonia (Патување во Македонија). The last lesson was especially useful to the many students who will be travelling to Macedonia during the European summer. We wish you a safe and happy journey and look forward to seeing you when you get back.

### Sveti Kiril and Metodij

On 25 May 2014, the Macedonian Community Language School celebrated the founding of the Slavonic written language by Sveti Kiril and Metodij. The event was especially rich in Macedonian language and culture with both the language school and the Community's KUD Goce Delcev dance group performing. The song, especially selected for the event by the language school, Kirilu-Metodiju, is based on Old Church Slavonic music and maintains and preserves continuity with spiritual music traditions that were originally founded on and adapted from Church Slavonic text and folk traditions. Lead singer was Nataya Naumovski. Thank you to all the students for a wonderful performance and a great day.

### Calendar of Events

The Macedonian Community Language School Calendar of Events is now available online to inform parents, students and members of the Community of organized school events and activities. Some useful information includes term dates, public holidays, school functions and much more. ### Sundowner

The Macedonian Community Language School held their first social event for the year, a Sundowner, on 6 June at the Macedonian Community Centre. The Sundowner provided a great opportunity for many people in the Community to catch-up. Thank you to everyone who attended, your interest in learning more about the school and what it does and the role it plays in the Community.
